

Curriculum for B1+ Intermediate German 4

Materials: *Sicher B1+*, Chapter 1–8; *Kursbuch* (textbook), *Arbeitsbuch* (workbook)

Course Content

Structurally: B 1+ concludes the Intermediate German sequence. There are no completely new structures for the learners. Students will review all grammar structures they have learned in B1.1, B1.2 and B1.3.

Functionally: Students will practice to handle all situations they may encounter on a trip to Germany, talk about holidays, music and culture.

Objectives

At the end of B 1+ students can express themselves coherently and talk about themselves and familiar topics or areas of personal interest. They can describe their hopes and wishes and talk about past experiences. They can follow conversations when the focus is on familiar topics and when standard German is spoken.
