# Where do I fit in or start?

**Freshman:** You are still too young to apply. Please stay in touch and check us out next year.

**Sophomore:** Apply online to start at the beginning of the program with the A2 course in Module 2.

**Junior:** You can either: Apply to start at the A2 level and consider taking a “gap” year after high school. Or test out of B1 German and enter the program in Module 4.

**Senior:** Likely it’s too late for seniors to apply. You can test into Module 4 and take a “gap” year to finish the program, but that is difficult.
