Position Overview

Kinderstube is in an exciting phase of visioning and growth. Help us take our program to the next level with this new position! With preschool being the building block and foundation of a child's future, we're seeking someone committed to Early Childhood Education. This role is for an experienced teacher who wishes to be a leader and mentor for other staff members and brings a positive attitude and joyful spirit to the program.

Work Environment & Culture

Our preschool program provides high quality, early childhood education with a focus on social-emotional development and language acquisition for young children. We are a small program which focuses on the best interests of children and teachers. We pride ourselves on having a student to teacher ratio of 8:1 and on offering staff paid training and prep time. The Head Teacher position allows for professional development and the strong sense of contributing to the growth and advancement of a leading cultural institute. Areas of current professional development include positive behavior guidance, updated methods of teaching in an early childhood immersion environment, and inclusion and belonging. We are lifelong learners and are a community which strives to lead in German language and culture education by raising young global citizens. Learn more at <https://www.gaimn.org/kinderstube/>.
